## DIU provides instant laptop during admission

JULY 14, 2020

City Desk :

To keep study unstoppable during Covid-19 pandemic situation, Daffodil International University (DIU) has taken the initiative of delivering instant laptop for newly admitted students in Fall 2020 Semester at the time of admission for attending classes staying at home.

The decision was taken in a management committee meeting held on July 09, 2020. Considering the present pandemic situation, it was decided in the meeting that any student of any Bachelor program (both day and evening) admitted in the Fall 2020 semester will be provided a Laptop instantly at free of cost to ensure uninterrupted class attendance during Covid-19 pandemic situation. Usually, the university provides Laptop to every student after successfully completing one year under "One student One Laptop" project. Acting Vice Chancellor Professor Dr. S M Mahabubul Haque Majumder presided over the meeting.

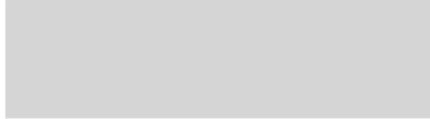

The authority of DIU has taken a gigantic initiative of "One Student: One Laptop" project since Summer 2010 to prepare a potential ICT skilled graduate to contribute to the nation. It is envisaged that DIU graduates can stand out by competing with other graduates both nationally and globally with their skill that they will acquire from this university.
